## NEWSLETTER

## GTO Association of Maine August 2018

### President's Message

Hello all,

It's certainly been a tough summer. Many days it's been too hot to take the convertible out. And then lately it's been all of that rain.

I hope that you have been able to get out there in your classic car to enjoy a cruise-in , a car show or just a ride around town. I've been able to get out to a couple of local car shows. They are always fun, with good food and good people.

You may recall our first 2018 summer event at Winterport Dragway had to be cancelled. It was unfortunate. Their schedule showed that July 1<sup>st</sup> was a good weekend for our event. Then their schedule showed that our weekend was going to be their motorcycle weekend which means "motorcycles only". When we looked at other dates there was always a conflict with some other event. So....alas....

So we hope that you will mark your calendar for August 25<sup>th</sup>. This should be a fun GTO event with a variety of things to enjoy. Hope you can make it.

Prez PJ
