## **GTO Association of Maine May 2000**

### **OPENING REMARKS**

“As I sit here writing this newsletter (Feb 29), I feel like the cruising season is right around the corner. I don't know if it's because I've been in touch with some of my car buddies via e-mail or the above freezing temperatures.” Wow what happened to the weather as I described it at the end of Feb? March was great but I still feel like we're waiting for good weather.

### **ANNUAL MEETING**

“As always, we'll do it the Sunday after Easter”, this makes 3 years in a row that I've scheduled the meeting the same day as the 1<sup>st</sup> Amhurst. Next year it will be the 2<sup>nd</sup> Sunday after Easter! The meeting went well. We had a few GTOs and got a lot of food for our money at Governors. The turnout was good but not as good as last year. Is Augusta a better location? Let me know.

Officers elected are yours truly (again) and Joanna as treasurer. Mike King stepped up as VP. We still have an opening for a 4<sup>th</sup> officer. This position needs to be a GTOAA member and will

get the lucky volunteer ½ price GTOAA dues. Let me know if there's any interest.

### **FIRST EVENT**

This will be a good one. Joanna and Mike are going to set something up on the shore for Sat June 24. This will be in the South Thomaston area. We'll figure out some cruising action and a good feed plan. Kevin Wilson has volunteered to let us weigh our cars on his truck scale so we'll work that in as well. The Owl's Head Museum has the '70's show going the following day so you can make a weekend out of it. We'll get some details out closer to the event but in the meantime mark your calendars!

### **WEB SITE**

The website is full of this year's updates. Annual meeting pics are up. I've got some cruise in pictures in already. Bonny Eagle pics will be in soon.

## **BONNY EAGLE**

Saw many members there this year. Congratulations to Craig and Paula Thorne for their trophy win! If I missed anyone else let me know. Keep me posted on any of your other car news, I'll pass it along.
