GTO Association of Maine January 2001

OPENING REMARKS

Well it's been awhile since the last newsletter but that's the way things go this time of year. This was actually a good year for newsletters. We did 7 compared to 5 in '99 and 6 in '98.

This was also a boom year for the club. Only 6 nonrenewals and 2 of them let us know why. We're starting out 2001 with 61 members. Historically the club always had around 30 so this is just awesome! The treasury is flush with almost \$800 in the kitty.

Next we have to mention the events that went so well. Annual Meeting in Waterville, the Shore Thang in Owl's Head, the Pool Party at Jeff and Mary's, the Convertible Show weekend with the Nor-Eastern Chapter of POCl, and the Fall Cruise.

Now it's quiet time. I'm back in the garage making slow progress on the Firebird – but at least it's progress. Drop me a line on your car's progress and I'll try to work it in next newsletter.

FALL CRUISE

Hats off to Paul Johnson for setting this one up! He managed to sandwich in a beautiful costal cruise and a visit to the Wells Auto museum between two of the club's favorite activities. Those two activities are eating and eating! That's righ we got to eat both breakfast and lunch on this event. The weather was perfect and the cars at Wells were stunning. The GTOs in attendance were well behaved so everything went real smooth. Thanks again Paul for taking care of this one!

NEXT EVENT – ANNUAL MEETING

I've got this one penciled in for Sunday May 6. I moved it out a week to make sure that I didn't schedule it for the same day as the first Amhurst like I've done for the last couple of years. To make sure I remembered I put the date on the MAAC calendar right after the meeting last year. Speaking of the MAAC calendar, check it out on the MAAC webpage. It's already filling in for 2001.

NEW MEMBERS

Are you kidding – new members in the middle of winter?? That’s right no new recruits to report since the last newsletter but I predict that this column will be hopping come spring.
