## **GTO Association of Maine August 2003**

### **OPENING REMARKS**

Car Season is in high gear. July is the peak for me. This year I was able to attend both the POCI convention in St. Louis as well as the GTOAA convention in Columbus, OH. The trip involved over 2 weeks plus 3500 more miles on the 66. If you've never been to a national event you don't know what you're missing. How about 200 people out on the street at 10PM cheering on a steady stream of GTO burnouts - smoke so thick you couldn't see down the street. Not to mention the show, seminars, and side trips that are all part of the convention.

### **LOBSTER BAKE**

Awesome time had by all at Mark Dissell's. Nice shady lawn, cool breeze, lobsters right out of the crate. Mark, thanks for putting on such an excellent outing!

### **NEXT EVENT**

Sunday August 24th Bob and Joan Farwell's Lake Party. Those of us that attended last year can do nothing but rave about what a good time it was. Joan and Bob live right on the lake - sit on the porch and dip your toe in close. They have a new carport so the good time roll rain or shine.

As is custom at a GTOAM get together, bring your own main dish or gillin' fixin's, plus any adult beverages you might require. GTOAM will spring for the side dishes and soda. It kicks off at noon but anytime in the PM will work if you can't get free until a little later.

There's a canoe, pedal boat, and kayak available. Bring a lifejacket or two if you have one handy. Don't forget swimsuits and towels - it's a great setup for water fun.

Directions - from the north get off I95 at the Saco exit and take Rt. 5 to North

Waterboro. From the south take Rt. 236 to Rt. 4 to Rt.5. In Waterboro heading west on Rt. 5 go past the head of the lake, take West Shore Rd to the right to Amy Lane (1<sup>st</sup> right). Turn left on Johnson Park Rd Bob and Joan are at the end - you can't go any further. They have a new tel # so call 247-3233 if you have any trouble.
