OPENING REMARKS

Once again I get to announce that this is my last newsletter. Didn't I say that last month? I "volunteered" to do one more apparently at the annual meeting. Bob and Joan are back on line so that will enable us to make a smooth transition over to Joan doing the newsletter.

Been to my first swap meet and cruise in already this year. Things are starting slow thanks to the weather but will be speeding up fast I'm sure!

PRESIDENT'S MESSAGE

Well, it's good to be home, no matter where you go it's always good to be home. And now it's time to get back to Touring with Real Cars.

Our first meeting was held at Hi-Hat Drive-In Pancake House in Farmingdale, Route 201. We had a great turnout, considering the weather. The restaurant was very accommodating, we could park

at the drive stands. It was great for pictures. Oh, and the food was great!

Well, no one wanted to take my job, so you're stuck with me for another year. Paul Johnson stayed as V.P. After this issue, Joan and I will be taking over the Newsletter. (We will need all the help and input we can get.) Charlie will continue with the treasury and Membership, so keep your dues going to Charlie, Dick Braunfels will continue as MAAC Rep.

About tours:

Mark is going to have his annual Lobster Bake June 25th. Joan and I will

have our Lakeside cookout August 21th. We will have our 2nd annual Toys for Kids Show some time in Sept. (Time and place to follow.)

Mark Burgess has invited us to his annual Fly In at his private air strip in Green. To be held on the first Saturday in October (Sunday is the rain date.) Mark your calendar, this is a great tour, seeing the planes coming in and taking off, plus a great feast.

Paul Johnson will run his annual Foliage Tour some time in October, date and time info to be announced.

Well, I talked long enough, hope to see a good turn out at Mark's Lobster Bake.

See you on tour,
Bob

LAST EVENT

Despite the gloomy weather the annual meeting was a well attended event. A tip 'o the hat to Mike King for pulling off yet another location. Fast Eddie's is for sale so Mike scrambled and got us in at the Hi Hat Pancake House in Farmingdale. Despite the late hour several of us opted for breakfast and were not disappointed.

While the food was on the was we drew numbers for a free membership to

GTOAA. The first drawing was only for GTOAM members in attendance. This one was won by Ed Tobin, the second was for all GTOAM members and was won by Basil Campbell. It doubles for change to win if you come to the meeting. Mark Burgess won a club shirt, well deserved after all the shirts and hats he's handed out at the fly in. Congratulations to the winners!

Rose stayed busy selling club shirts and hats. If you were unable to attend feel free to order via mail. Check out the details later in the newsletter.

We spent, as usual, a few minutes on official business. Officers were elected as per Bob's remarks above. It was noted that the club was informally started in 1985 and became a chapter of the GTOAA in April 1986. Anyone got an idea for a 20th anniversary celebration? After all the dues and apparel money was collected the club's balance is an even \$1565.

NEXT EVENT

Saturday June 25th Mark Dissell's. Lobster Bake, cookout, lots o' summer fun. Kicks off at noon. If you want lobsters call Mark to place your order, phone is 846-6955

Directions – In Yarmouth take exit 17 off 295. Head south on Rt 1 for a very short distance, take the road behind the Texaco onto Rt 88. After you pass the boatyard on the left you'll come to the Westcustago Restaurant, take a left there. At the first stop sign go straight and the road becomes the Prince's Point Rd. Bear right at the 3 way intersection and go to the end. The 3 car garage on the right is Mark's and that's the general vicinity for parking.

Come prepared for summer fun. Lawn games, salt water swimming, and

the possibility of a sail await you!
President Bob promises a raffle for a
GTOAM shirt for those in attendance.
See you then!

DREAM GARAGE

Paul Johnson writes:

If you had a 5 bay garage and money
was no object, what would you put in it?
Each GTOAM member can submit
his/her answer. Each month we could list
a couple of the answers. Here's mine:

- 1 1970 GTO convertible (I heard that
they are very rare)
- 2 1966 GTO convertible with tri-power
(My favorite GTO)
- 3 1971 Dodge Challenger convertible
with the 426 Hemi
- 4 1958 Pontiac Bonneville convertible
with fuel injection
- 5 1961 GMC 4wd Fleetside Pickup
customized with a V-8 because they only
came with a V-6.

There you have it.
