GTO Association of Maine June 2005

OPENING REMARKS

Bob and I are back from our travels and ready to get started with the summer and with our GTO meets. Joan has taken over the newsletter and will try to keep up the quality that Charlie had. It will be a challenge. I just got my computer for Christmas and have a lot to learn.

Harold Murphy is helping me get going.

We will need input from you the members out there, like history of your cars, GTO info. Articles, ideas on what you might want out of our club.

PRESIDENT'S MESSAGE

At time of this writing it has been raining for 6 days. And it is the 6th week-end in a roll with rain. How bad is this? Let's hope the summer gets better and we have sun shine for our meets.

Our first tour will be Sat. June 25th with a rain date of Sun. 26th at Mark Drissell's beautiful home by the ocean in Yarmouth Me. for a cook out and lobster feed. Try to get there by noon. The club

will supply the hamburgers and hot dogs, potatoes sal. macaroni sal. And soda. (Bring your own beer and wine) Lobster will be available by calling Mark at 207-846-6955 to get mkt. price per lobster and order if you choose. If you choose to make a dessert it will be welcomed. Directions as follows:

In Yarmouth take exit 17 off 295. Head south on Rt. 1 for a short distance, takes the road behind the Texaco onto Rt. 88. After you pass the boatyard on the left you'll come to the Westcustago Rest., take a left there. At the stop sign go straight and the road becomes the Prince's Point Rd. Bear right at the 3 way intersection and go to the end. The 3 car garage on the right is Mark's and that's the general vicinity for parking. This should be a fun event. Bring your swim suit if you dare to challenge the cold Maine Ocean especially after this cool spring. So get out the GOAT and join us for a day of relaxing and good fellowship. Don't forget every member there gets a chance for a GTO shirt or

GTO cap. You have to be present to win.

DUES

Please, if you haven't paid your 2005 dues yet send your check of \$10.00 (or \$20.00) for two years. Remember this is our only source of income other than the sale of tee shirts and hats. In saying that lets try to gain new members, remember we accept any and all Pontiac's not only GTO'S. If you don't belong to the GTOAA. Think about it. It only costs \$30.00 and you receive a magazine the "Legend" every month which is a great read. Lots of info. That a lone is worth the \$30.00. I read it from cover to cover as soon as it arrives. If interested mail check to GTO Asso. Of America 5829 Stroebel Rd. Saginaw, MI. 48609 When you receive your member number forward it to Paul Johnson. As Paul mentioned the new requirement is 33% of all members.
