OPENING REMARKS

Well with the help of Charlie and Harold I got my first newsletter under my belt. I'm very new at working on a computer hope it doesn't show. Haven't received any feed back so the newsletter will be short. I now have my e-mail address above so lets hear from you all.

PRESENTS MESSAGE

Were you real hot on the 26th? Well you should have come to our LOBSTER and CLAM BAKE at Mark's house in Falmouth. What a great day we had. It was 20 degrees cooler near the ocean. I want to thank Mark and Carolyn for a great job. The food was great and the company even better. After we ate we all went to see Mark's antique boat. Looks like a fast one. Well Mark's going to try and bring it to our next cookout at our Lake side home on Aug. 21. He promised rides so mark your calendar. Later in the after noon we cruised over to Mark's favorite ice cream stand. The ride was great. Back roads with beautiful country sides. Yes hit some straight a-ways and the boys couldn't resist putting

the pedal to the medal. Just like old times hearing G.T.O. cruising down the roads
