GTOAM - July 1997

Tons of "stuff" for this edition. Rose and I are fresh back from the GTOAA Nationals in Atlanta. 250 GTO's, laser show at Stone Mt, , Arnie Beswick doing 1/8 mile burnouts, Jim Wagners showing every GTO commercial ever made, Parts!, GTO's. Don't have the space to really describe it, so you'll have to hear about it in person.

NEXT BIG EVENT!!!

Saturday July 26 - Pontiac Day at Epping Dragway. We can plan whatever kind of trip to this event that you GTOAM members want. RSVP to me and we'll setup a plan based on the desires of those attending. Should be a great day - let's go for it!!!!

Other upcoming events are the Yankee Chapter of POCI "Fun in the Sun" in Springfield, MA Aug. 15-16 and the Eastern GTOAA regional in Parsippiny, NJ the weekend of AUG. 22. I'm considering both of these events. Call if you'd like details.

LATE RENEWALS

I'm looking for dues from the following - don't chance missing any of the great GTOAM action:

Mike King, Kevin Gillespie, Frenchie & Pat Bourgeois, Shawn and Libby Maguire, Alfred Brickett Jr.

FEATURED THIS MONTH.

1997 MAAC Calendar of events
Note that the MAAC get together is at OWL's Head this Sunday. This is a worthwhile organization and the show is free. Owl's Head is a great place to attend a show with lots of good stuff going on. See you there!

Current roster - please help me "fill in the blanks". I'd like to get spouse's name, GTOAA #'s, and Cars listed. Please give me feedback. I'm sorry if this information has been had before. My only excuse if that Susan had a Mac and I'm on Windows - had to use the keyboard interface, if you get my drift. Also if you know the whereabouts of any of our past members and the reason why they've left the club, I'd like that info.

This month's "AUTObiography" from Fred Worcester. I started with mine as kind of a joke but it's turning out to be very interesting learning more about our members. Anyone else out there got a colorful past to share??

WELCOME TO GTOAM

A warm GTOAM welcome to Larry Oakes from Spruce Head - '65 Hardtop!!
