## **GTOAM - August 1998**

### **POCI NATIONALS**

Congratulations to Mark Dissell for his Silver in the points judged category! GTOAM had a good showing at this event. Show cars included Mike King's '64, Mark Dissell's '67, Bill Morrison's '68 Firebird, and Rose and my '66. Also saw Mathais Poulin touring the show field. In addition to a real nice convention at a great location, we toured Ames Performance Engineering and attended Pontiac Day at Epping. Ames featured a massive car collection with many low mileage original cars. Pontiac Day was a nice event with a good showing of drag Pontiacs. It was interesting to see the 4<sup>th</sup> generation 'birds running in the mid 13's to 14's.

### **NEW MEMBERS**

Warm welcomes to:

Ben and Mary Llewellyn from Norway with a 67 Hardtop

Richard Spaulding of Gardiner with a 66 Convertible

Neal and Jean Reny of Boothbay with a 66 Hardtop

### **NEXT GTOAM EVENT!!!**

This is it!!! The big one!!! Pool Party and Jeff and Mary Shepard's on Sunday August 23. Figure on starting around noon. Club supplies the basics; anything special is up to you. To find this event take High Street out of Gardiner. High Street is the one by Irving (near McDonalds). Keep going to the top of the hill, there's a water tower on the top on the right. As you start going down their driveway is on the left. Their neighbor immediately past has a street sign at the end of his driveway. Their house sets back a ways, it's a white split-level and Jeff's shop is just past and to the right of it. Their mailbox is on the right and has a 69 GTO on top of it. If you get lost 582-7191. Call if you'd like more details.
