GTOAM - September 1998

POOL PARTY

If you missed it you missed one good spread. With enough food to feed a small army, Mary Shepard made sure no one went home hungry. The weather was quite cooperative so we all had a great time.

FALL CRUISE

The GTO Association of Maine will be gassin up and heading out for a fall cruise Sunday Oct 11. We will meet in one of two places. First spot will be in Augusta at Mustang Sally's/Alfreds at 9:00 BYOCG (Bring Your Own Coffee and Gas). We'll head out of there in time to meet up with the Penquis Cruisers at the corner of routes 9&11 in Dixmont. We'll head out of there around 11:00 and proceed into Bangor for a look around the Coles Transportation Museum. Lunch will follow at the Sea Dog. So plan to part with your easy chair and get one last chance to cruise. It all happens rain or shine with the Penquis Cruisers and the GTOAM. If you know of anyone who'd like to go bring them along. If the ole GTO isn't up to it - don't worry bring anything that runs!

PS - Fred promises to sing "The Battle of the Bobbits"!

T SHIRTS

We got em! Tees \$10, Hats \$5, Sweatshirts \$20. Shipping is a mere \$3 per order. Call Charlie today! Seriously we're over stocked on tees and hats and could use the money. Sweatshirts have only a few left and I can't place another order until enough tees are gone so we can make the minimum. Again please call today.

WORLD'S FASTEST CAR

Submitted for your approval by Mike King - 200.13 MPH on street tires and thru the mufflers. Randy Adler 1966 GTO 3000+ lbs. What else but a GTO. Maybe it'll show up for the fall cruise
